

IMPORTANT NOTICE:

Our Maintenance crew have been experiencing difficulty clearing snow off our streets due to residents pushing snow out of driveways onto the street. This is happening regularly and causing very dangerous situations, in some cases only one way traffic. We realize that there is excessive amounts of snow this Winter but **WE CANNOT ALLOW THIS ACTION TO CONTINUE.** In consultation with the RCMP effective immediately individuals responsible for doing this will be issued a ticket in accordance with the Highway Traffic Act Section 163. There will be no further warnings so please stop this practice and avoid getting ticketed.

Thank you for your understanding regarding this matter.

Town Council of Point Leamington
